

# GAME ON PHILLY!

## Calling all coaches!

We need your expertise!

---

Season canceled?

Looking to reach more kids with your coaching?

### Create videos for the Game On Philly App

Game On Philly is a one-stop shop for high-quality sports drills, workout routines, and fun games that help kids stay healthy and safe while working from home! The app is **FREE** to all users and loaded with tons of great sports and fitness content geared towards kids...but we need more!

The Philadelphia Youth Sports Collaborative is looking for experienced coaches to create videos of drills, workouts, and fun activities and games that will get kids up & active!

Videos should be between 2-10 minutes long, accessible to middle school age kids, and able to be done safely at home or distanced in a public recreational space
