

## Get Up! Get Active! Get Started with Game On Philly!

The Game On Philly App is a one-stop shop for fun, high quality sports drills, workout routines, and games to help kids stay fit, healthy, and safe while learning from home. This FREE app comes loaded with tons of great content that is easily accessible and can be done at home or safely distanced in recreational spaces.

And, it's all geared towards kids!

Without access to many of the sports and activities they love, kids are missing out on the vital physical and mental benefits of daily rigorous activity and competing with their friends. The Game On Philly App gives them a chance to get back in the game, all while staying safe in this uncertain time.

### Create your Game On Philly Account:

- ★ Search for “Game On Philly” in the App Store or on Google Play. Look for the fire icon 
- ★ Download the App
- ★ Swipe through the welcome screens and create an account
- ★ Join your school team to compete with friends and classmates.  
Don't see your school? List it so we can create your team!
- ★ Kids under 13 will need a parent or guardian’s supervision to download and use the app
