

**Terry Horner**  
Former Chairman and CEO,  
TAH Industries (retired)

Terry Horner's professional career is divided into two chapters. The first chapter started in 1970 with Mr. Horner developing and patenting a unique mixing device. After its development, he started a company to manufacture and sell the device. Over the next 40 years, the company grew from Mr. Horner basement and a staff of 2, to an international company with 250 employees. In 2008, the company was sold and Mr Horner launched his second career, which involved philanthropic efforts. The cornerstone of that process, is a family foundation his wife and he founded named The Horner Foundation. The Foundation is active on two continents . Mr Horner also served as the first COB of the Philadelphia Youth Sports Collaborative. He holds a BSChE for the University of Virginia and a Masters from New York University.
